U.S.A. vs. Leshea F. Marsalis

Docket No. 5:13-MJ-1794-1

Petition for Action on Probation

COMES NOW Debbie W. Starling, probation officer of the court, presenting a petition for modification of the Judgment and Commitment Order of Leshea F. Marsalis, who, upon an earlier plea of guilty to Driving While Impaired (Level 5), in violation of 18 U.S.C. § 13, assimilating N.C.G.S. 20-138.1, was sentenced by the Honorable William A. Webb, U.S. Magistrate Judge, on December 10, 2013, to a 12-month term of probation under the standard conditions adopted by the court and the following additional conditions:

1. The defendant shall perform 24 hours of community service as directed by the probation office and if referred for placement and monitoring by the State of North Carolina, pay the required \$200 fee.
2. The defendant shall obtain a substance abuse assessment from an appropriate mental health facility within thirty (30) days from the date of this judgment and complete any prescribed treatment program. The defendant must pay the assessment fee and any added treatment fees that may be charged by the facility.
3. It is further ordered that the defendant shall participate in any other Alcohol/Drug Rehabilitation and Education program as directed by the U.S. Probation Office.
4. The defendant shall surrender North Carolina driver's license to the Clerk of this Court for mailing to the North Carolina Division of Motor Vehicles and not operate a motor vehicle on the highways of the State of North Carolina except in accordance with the terms and conditions of a limited driving privilege issued by the appropriate North Carolina Judicial Official.

RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE AS FOLLOWS: On December 19, 2013, the defendant reported to the probation office and submitted a urine specimen which proved positive for marijuana and cocaine. She advised that she last smoked marijuana prior to her court appearance, but admitted that she used cocaine on December 15 or 16, 2013. She reports a lengthy and extensive history of drug use, as well as mental health issues. In order to address these issues, it is respectfully recommended that her conditions of probation be modified to include drug aftercare, mental health treatment, and cognitive behavioral therapy.

The defendant signed a Waiver of Hearing agreeing to the proposed modification of supervision.

PRAYING THAT THE COURT WILL ORDER that probation be modified as follows:

1. The defendant shall participate as directed in a program approved by the probation office for the treatment of narcotic addiction, drug dependency, or alcohol dependency which will include urinalysis testing or other drug detection measures and may require residence or participation in a residential treatment facility.
2. The defendant shall participate in a program of mental health treatment, as directed by the probation office.
3. The defendant shall participate in a cognitive behavioral program as directed by the probation office.

Except as herein modified, the judgment shall remain in full force and effect.

Reviewed and approved,

I declare under penalty of perjury that the foregoing is true and correct.
